

Dear Jorge Padilla,

We are excited to move forward with the next step in our hiring process for the Senior Software Engineer position specializing in Cloud Infrastructure and would like to invite you to schedule an interview.

As a seasoned professional with a strong background in cloud infrastructure, we believe you would be a great fit for our team and contribute to the growth and evolution of our cloud infrastructure.

To schedule a time that works for you, please use the following link
<https://calendly.com/roguchi-ucsd/30min?name=Jorge+Padilla&email=jorgepadilla@example.com>.

We look forward to speaking with you and exploring how your skills and experience align with our team's goals.

Best regards,

Recruiter
